The Tolan Group Named Top Healthcare Executive Search Firm
Firm Continues Growth Strategy Adding New Practice Areas

St. Augustine, Florida – February 21, 2017

The Tolan Group - a member of the Sanford Rose Associates[®] network of offices, and leader in HCIT executive search, has been named as a top US healthcare executive search firm by Hunt Scanlon, the most widely referenced, single-source for information in the human capital sector worldwide.

Recently the firm named Shawn Tolan as Senior Partner to lead the firm's private equity and venture capital practice. *"There are literally hundreds of PE and VC firms that focus on Healthcare IT."* Tolan and his team will partner with small start-ups and mid-sized firms in the space. *"Firms are making significant investments to solve key issues in healthcare around Digital Health, Mobile Technology, Cyber Security, Patient Engagement, and niche solutions which include new technologies for both the provider and the health plans/payer market. We offer tremendous value to our PE and VC partners and their portfolio companies,"* added Tolan.

The Tolan Group also named Rachel Gauthier to lead its cybersecurity practice. *"Healthcare is a very vulnerable target and threat for hospitals and health systems,"* said Gauthier. *"We offer a full spectrum of talent solutions that include Directors to a Chief Information Security Officer (CISO), in addition to building cybersecurity teams for our client."*

The mission of The Tolan Group is to be the preferred source of retained executive search consulting services for our clients and candidates servicing the healthcare IT industry. We have a dedicated focus on client needs, unsurpassed integrity, attention to detail, and clear, honest communications are the cornerstone of how we operate. Having served the recruiting needs of business and industry since 1959, Sanford Rose Associates[®] is one of the oldest and largest recruiting firms in the United States.
